Experience

Good Life Companies

Sales Enablement & Operations Director | Orlando, FL

08/2025 to Current

- Administer and optimize the firm's Salesforce CRM ecosystem — Pardot, Sales Engagement, and Marketing Cloud Growth — launching 4 CRM programs that strengthened pipeline visibility and data integrity across the BD team.
- Lead SEO and AEO optimization efforts for the firm's website, resulting in a 65% increase in brand awareness through integrated social and thematic marketing strategies.
- Developed and maintained the firm's first centralized sales enablement hub, consolidating playbooks, training materials, and collateral into a single source of truth. This initiative reduced ramp-up time for new hires and reinforced brand consistency.
- Transformed the training function into a structured onboarding and mentorship program for all new BD team members.
- Redesigned value propositions for target advisor segments through partnership development and market differentiation strategies.
- Managed workflow optimization and the development of standard operating procedures (SOPs) across the entire sales cycle, ensuring consistent and scalable operations for the BD team.
- Expanded the firm's event program into a powerful pipeline engine, successfully executing 16 *Good Life Amplified*, webinar events and two conferences.
- Manage and mentor a 6-person BD and Sales Engagement team, including LinkedIn analytics coaching that drove a 104% increase in impressions in 3 months.

Good Life Companies

Sales Enablement Manager | Orlando, FL

01/2025 to 08/2025

- Developed and launched three advisor journey campaigns to increase pipeline awareness and enhance the conversion workflow from Marketing Qualified Leads (MQL) to Sales Qualified Leads (SQL).
- Built and maintained the firm's centralized sales resource repository, consolidating collateral and documentation for the Business Development (BD) team's use.
- Executed marketing campaigns across multiple channels to engage advisors throughout a year-round funnel for conversion, utilizing social media, email, LinkedIn ads, and more.
- Developed training materials and sales collateral for BD representatives to support onboarding and ensure field readiness.
- Applied CRM best practices within Salesforce to track advisor interactions, maintain the integrity of pipeline data, and support BD reporting.
- Managed the firm's first advisor engagement conferences and launched our inaugural webinar program, *Good Life Amplified*.

GSI

Marketing and Brand Manager | Remote

02/2023 to 12/2024

- Developed and executed integrated marketing campaigns across digital, social, email, PR, and traditional media channels to drive brand awareness, customer acquisition, and retention.
- Produced the GSI Insider Podcast end-to-end, developing episode strategy and content based on client metrics and business insights.
- Built and managed brand channels, partner marketing support, and promotional programs across multiple product lines.

Certifications

- HubSpot
- JD Edwards
- NetSuite
- Google Ads
- LinkedIn
- SEO
- IBM AI

- Coordinated regional events, trade shows, workshops, and webcasts from planning through execution.
- Collaborated with internal sales teams to develop message frameworks, PR strategies, and platform-specific content.

GSI

Marketing Coordinator | Remote

09/2021 to 02/2023

- Managed production and distribution of marketing materials including newsletters, social media content, blogs, press releases, and video testimonials.
- Supported execution of marketing campaigns and maintained employee and customer engagement programs across digital and traditional channels.
- Organized user groups, trade shows, and workshops — boosting brand visibility and stakeholder engagement.
- Acted as primary liaison between internal teams and external contacts, streamlining communications and project collaboration.
- Supported online advertising initiatives and partner relationships to optimize digital presence.

Universal Studios Orlando

Public Relations and Internal Communications Intern | Orlando, US 05/2021 to 09/2021

- Assisted in media coverage and brand strategy initiatives, aligning with company goals, and enhancing brand awareness.
- Provided client management support, enhancing client relations and project success.
- Contributed to writing assignments and supported multimedia shoots, producing compelling content.
- Managed internal communications, ensuring efficient information flow within the team.
- Aided in project coordination and website optimization, improving operational efficiency and user engagement.
- Crafted press releases and developed communication strategies to boost employee engagement and promote company initiatives.
- Fostered media relations, supporting PR efforts and event promotions. Supported marketing strategy refinement with data-driven insights, aligning with business objectives.
